

Have you heard about the new program that gives families cash every month for each of their kids?

Starting July 15, 2021, most families with children will receive monthly Child Tax Credit payments of at least \$250 per child from the IRS.

Families that have not filed taxes can qualify for this payment by going to this page on the IRS website and following the instructions:

<https://www.irs.gov/credits-deductions/child-tax-credit-non-filer-sign-up-tool>
